McGuire and Frazier, Chairs

Monday, November 4, 2019, 2pm
State Capitol, Room 4203

**Staying in their lane:
How should the state and local governments regulate new mobility
options in the sharing economy?**

AGENDA

- 1. Opening comments**
- 2. What the research says: impacts of Transportation Network Companies and Shared Mobility Devices on California's streets and sidewalks**
 - Juan Matute, Deputy Director, UCLA Institute of Transportation Studies

3. Lessons learned from the past: the benefits and drawbacks of statewide regulation of Transportation Network Companies and what we can learn going forward

- Jarvis Murray, For-Hire Policy and Enforcement Administrator, Los Angeles Department of Transportation
- Kate Toran, Director of Taxis and Accessible Services, San Francisco Municipal Transportation Agency

4. The regulatory landscape for shared mobility devices now and into the future: exploring challenges and local regulatory practices

- Seleta Reynolds, General Manager, Los Angeles Department of Transportation
- Francie Stefan, Acting Chief Mobility Officer and Assistant Director of Planning and Community Development, City of Santa Monica
- Tom Maguire, Interim Director of Transportation, San Francisco Municipal Transportation Agency
- Jennifer Donlon Wyant, Transportation Planning Director, City of Sacramento
- Kevin Hefner, Associate Transportation Specialist, City of San Jose Department of Transportation

5. Stakeholder perspectives on shared mobility regulation

- Edward Fu, Senior Regulatory Counsel, Bird
- Alison Grigonis, Senior Regulatory Counsel, New Mobility, Uber
- Chris Dolan, Past President, Consumer Attorneys of California

6. Public Comment: 3 minutes per speaker

7. Adjournment
